

Corporate Presentation

GROUP AGE COSCO

GROUP AGE COSCO

Our Growth Story

Meet our Founder

Prof. Romeo Messan TOSSOU

GROUP FOUNDER GROUP AGECOSCO INTERNATIONAL

CEO ● TOGO ● BENIN ● GHANA ● NIGERIA ● CAMEROON ● GABON ● BURKINA – FASO

● NIGER ● GUINEA CONAKRY

With over 18 years years of corporate experience in the Testing, Inspection and Conformity industry, Mr. TOSSOU launched **GROUP AGECOSCO** as a specialised inspection firm in 1998.

The GROUP AGECOSCO Concept

Simple. Build a global brand that would bring together the most promising leaders in the inspection industry and empower them to perfect their service offering to their clients.

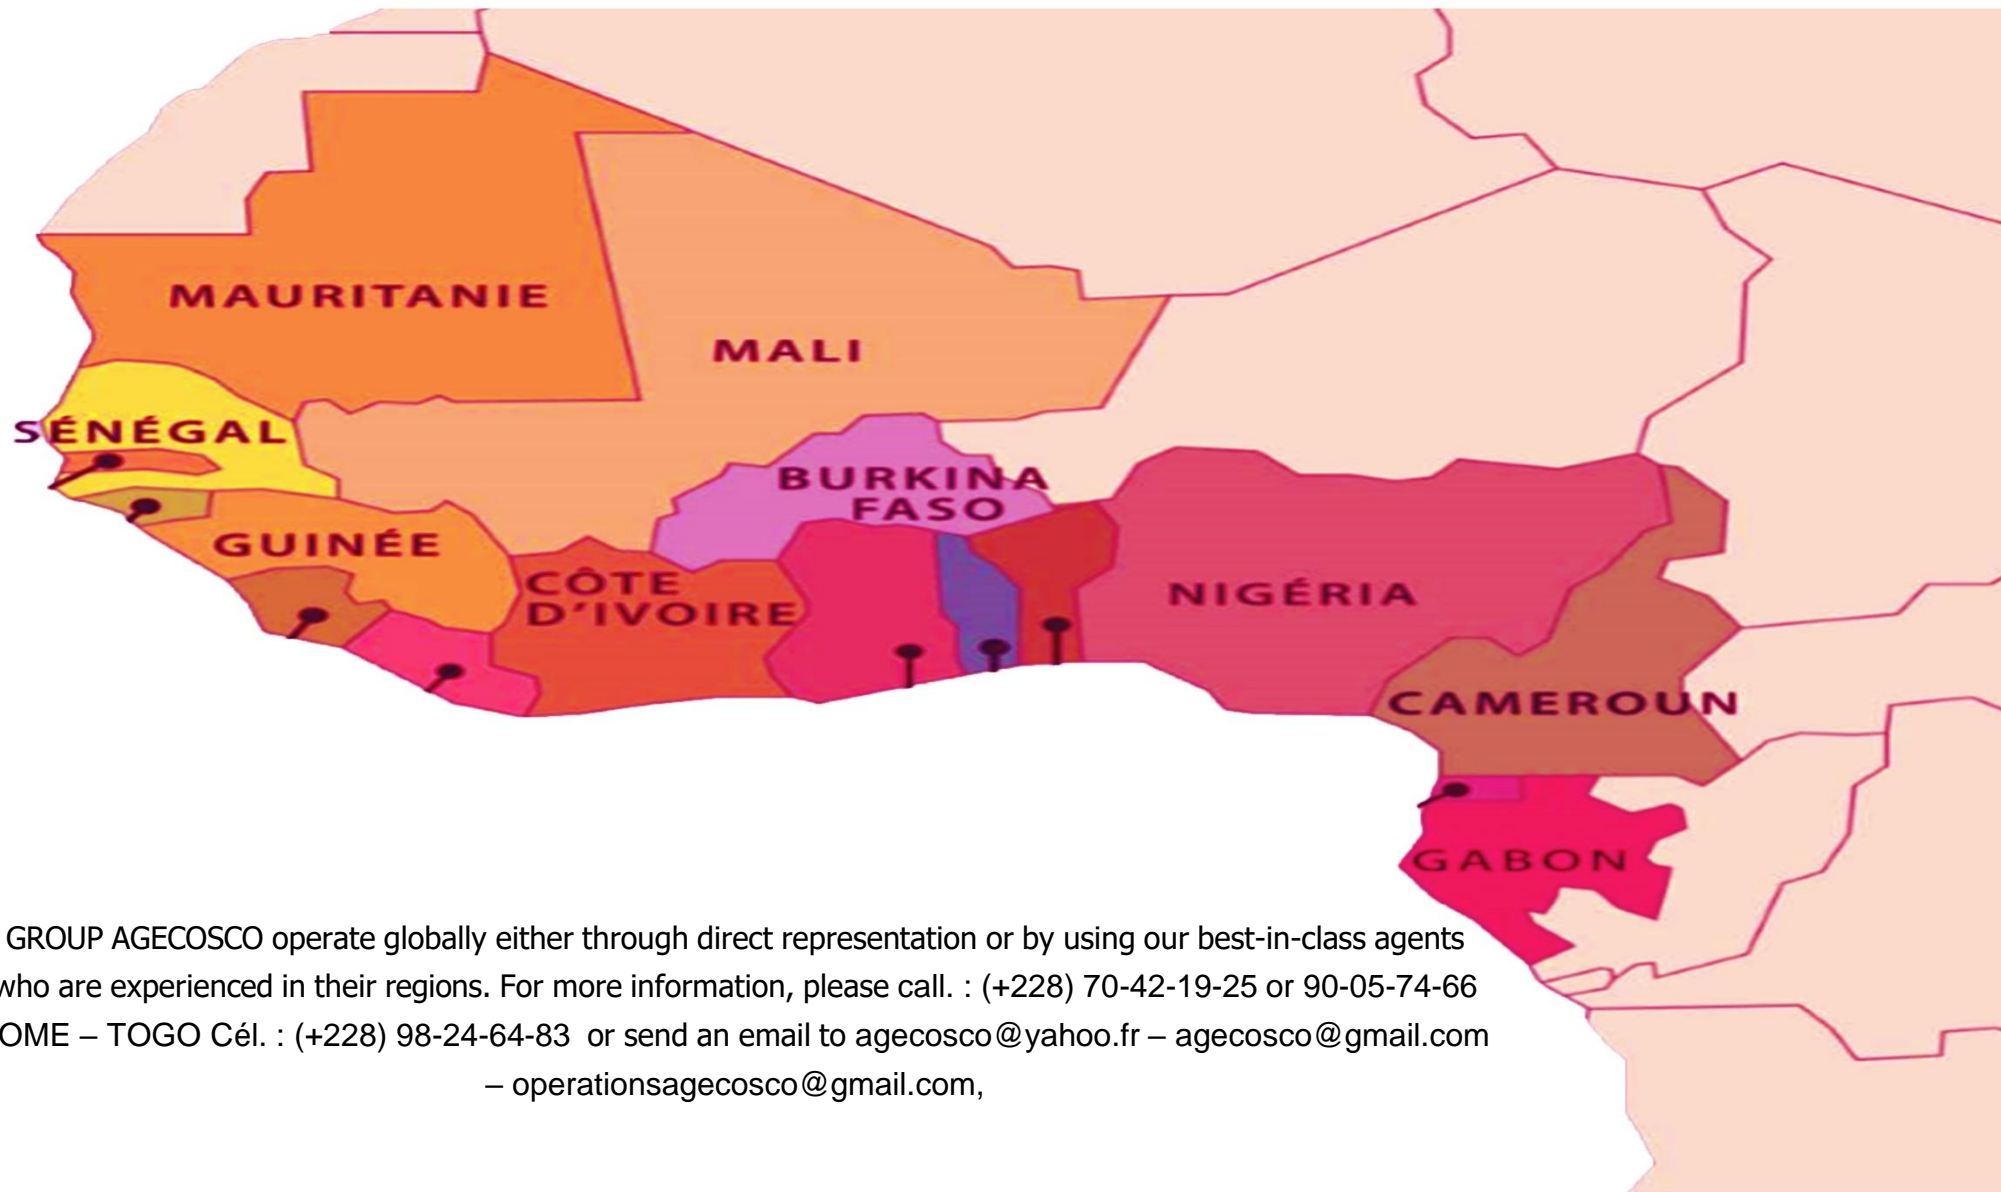

Our Responsibility?

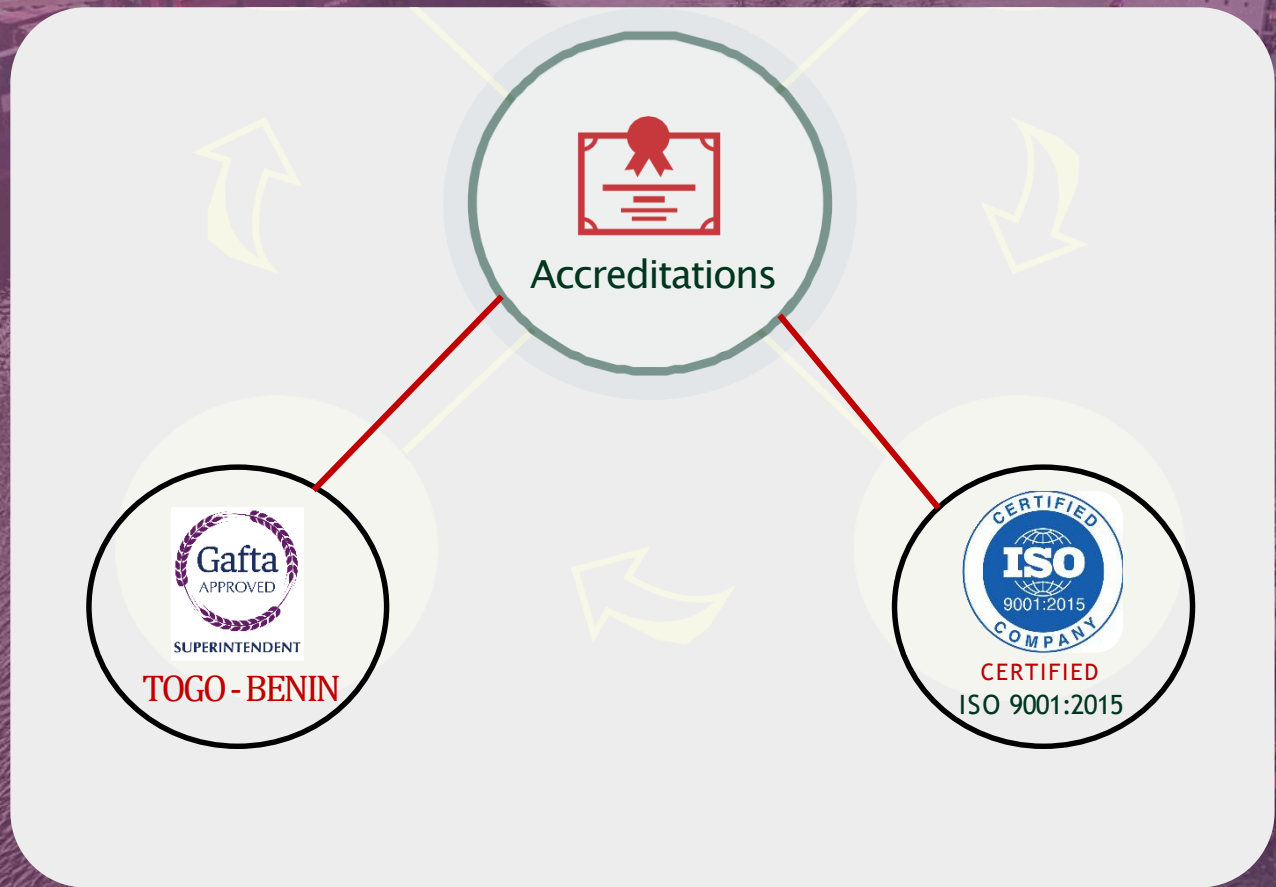

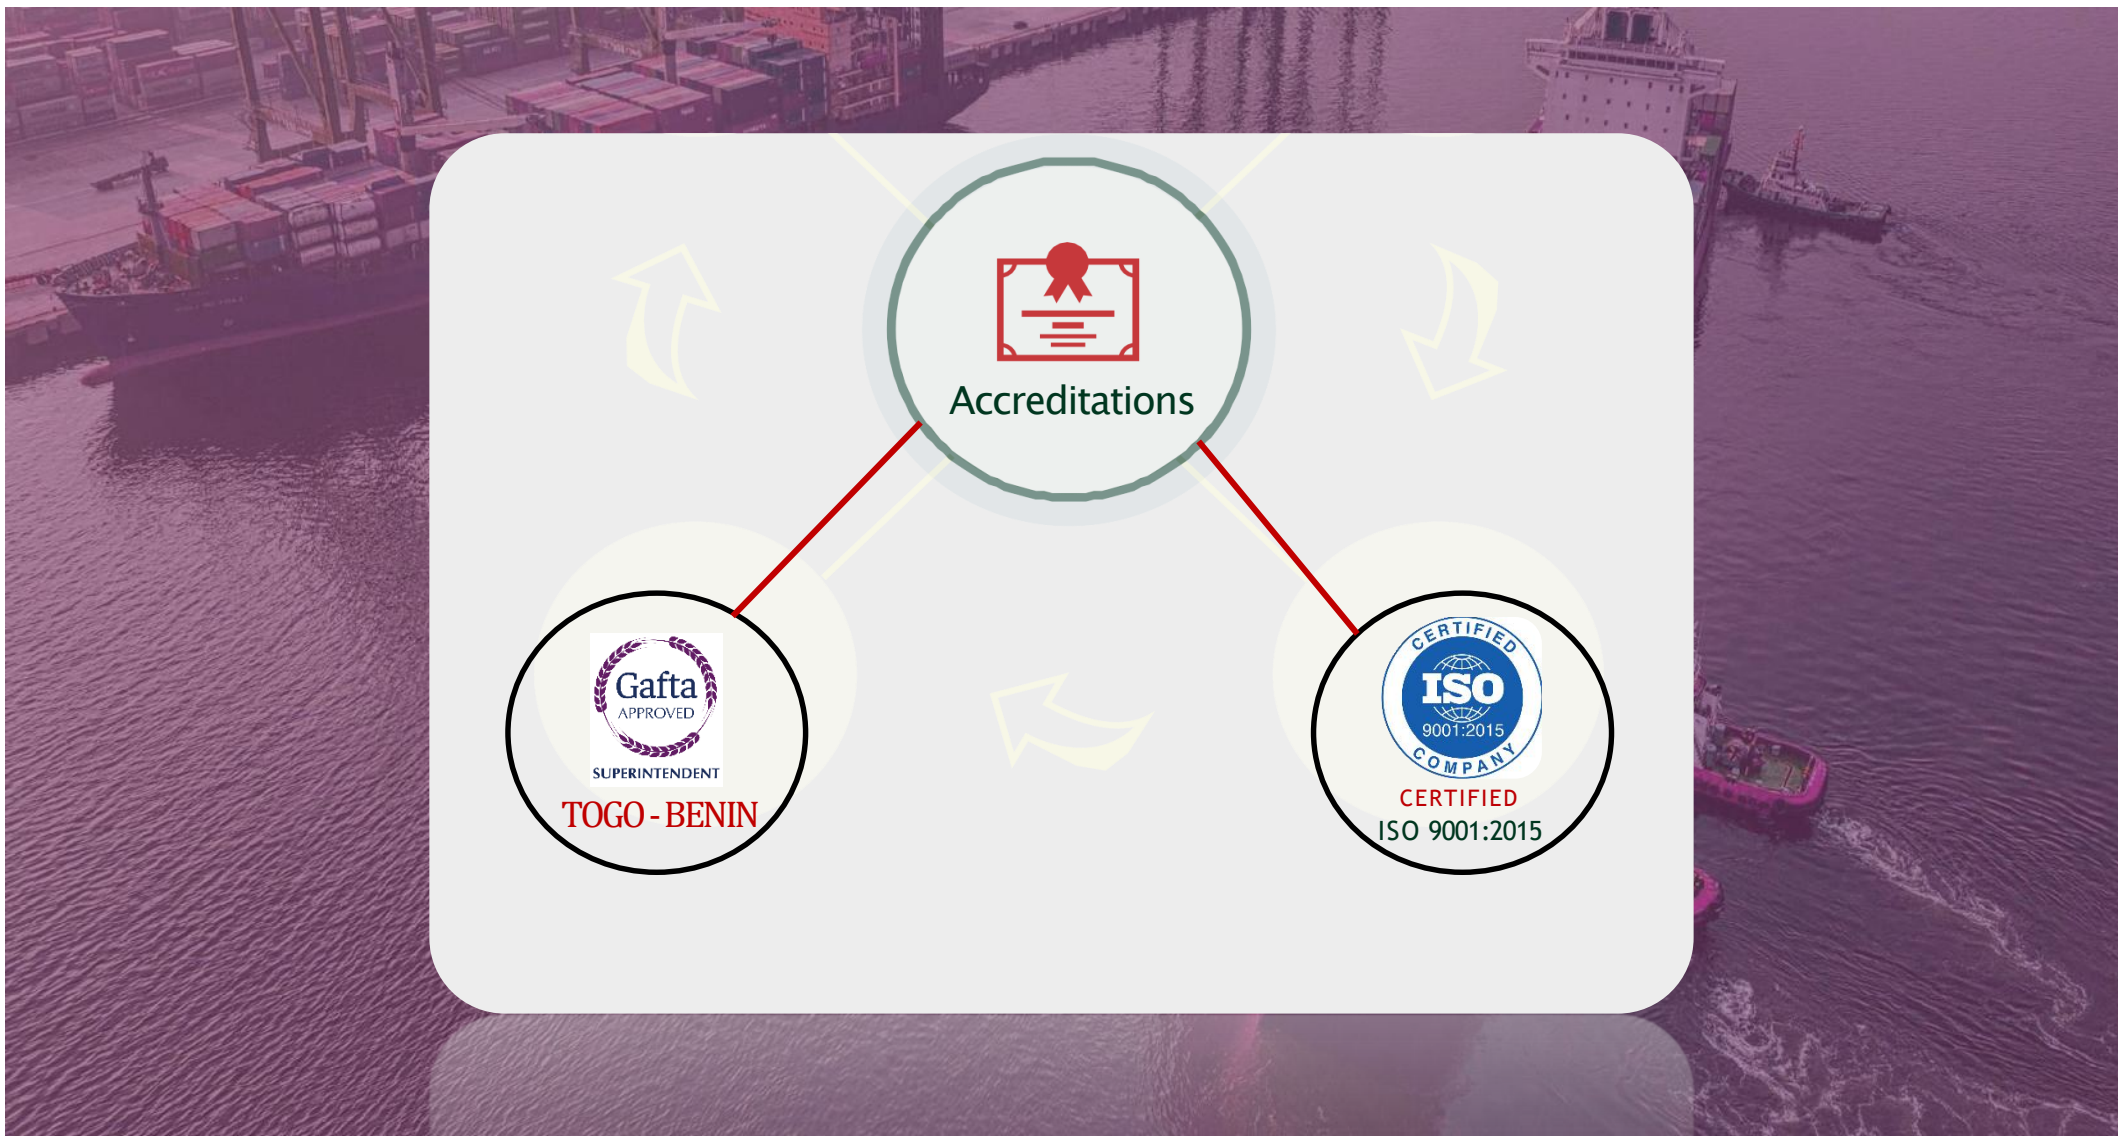

Not so simple. Implement safeguards in terms of Standardised Operating Procedures, adherence to compliance norms and maintaining accreditations for all of our sister firms across our participating offices.

Following our concept while enforcing accountability and integrity helped us expand rapidly over the last seven years around the globe. Prasanjit is now assisted by industry leaders across the GROUP AGECOSCO network.

GROUP AGE COSCO operate globally either through direct representation or by using our best-in-class agents who are experienced in their regions. For more information, please call. : (+228) 70-42-19-25 or 90-05-74-66

TESTING, INSPECTION & CERTIFICATION SERVICES

- ♦ Inspection Supervision Services,
- ♦ Documentation,
- ♦ Sampling & Analysis Services

WE DO THINGS DIFFERENTLY

AGRI COMMODITIES SERVICES

- Grains, Pulses, Oil-seeds & Feed-stuff
- Sugar (Raw & Refined)
- Vegetable & Animal oils / fats
- Coffee, cocoa
- Fruits & Vegetables
- Frozen products

Pre-Shipment Discharge

- Sampling as per Standard

Shipment Supervision

- Cargo space inspection for suitability
- Monitoring Load, Discharge & Delivery
- Sampling as per Standard / Guidelines
- Tally for bagged cargo
- Hold / Container sealing

Specialized Services

- Loss Prevention
- Full Out-turn Guarantee
- Fumigation
- Stock Audit
- Preparation of cargo compartment

Analysis & Sampling

- Standard test for Physical & Chemical Parameters
- Specialized tests

FERTILIZER COMMODITIES SERVICES

- ♦ Urea /TG Urea
- ♦ Sulphur
- ♦ DAP /MOP
- ♦ Ammonium Nitrate
- ♦ Liquid Ammonia
- ♦ Compound Fertilizers
- ♦ Rock Phosphate
- ♦ Phosphoric Acid

Pre-Shipment Inspection

Bulk / Break Bulk Vessels Shipment

- Hold Inspection
- Draft Survey
- Monitoring Loading & Discharge
- Sampling as per Standard
- Tally
- Hold Sealing

Container Shipment

- Container suitability to load cargo
- Stuffing / Destuffing
- Sampling
- Weight Monitoring
- Tally of Bags
- Container Sealing

Analysis & Sampling

STRUCTURED TRADE FINANCE SUPPORT SERVICES

- ◆ All Agricultural Commodities
- ◆ Minerals & Metals
- ◆ Equipment
- ◆ All liquid cargo incl. Chemicals
- ◆ Manufactured & Consumer Goods
- ◆ Crops

Stock Management Control

- Preliminary inspection of the storage facility to determine its suitability for storage of goods.
- Verification of quantity & condition of stored goods.
- Monitoring of quantity / condition verification of deliveries to or from the storage facilities.
- Management & Control of Documentation.
- Over-deliveries alerts.
- Verification of storage receipt & proper recording.
- Periodic quantity & conditions verification.
- Reporting

Warehousing & Collateral Management

Audits & Surveillance

Storage Solutions & Quality

MINERAL ORE SERVICES

- ♦ Chrome, Manganese, Clinker
- ♦ Pig Iron, Limestone, Gypsum
- ♦ Bauxite, Fluorspar
- ♦ Koalin, Mica, Silica, etc.

Pre-Shipment Inspection

- Sampling as per Standard
- Inspection at mines, yards, warehouses, plants, ports, etc.

Supervision on arrivals/ Dispatch & Rake / Truck Loading / Discharge

Collateral & Stock Monitoring (CMA & SMA)

Stock determination at yards using Total Stations

Full Out-turn Guarantee (FOG)

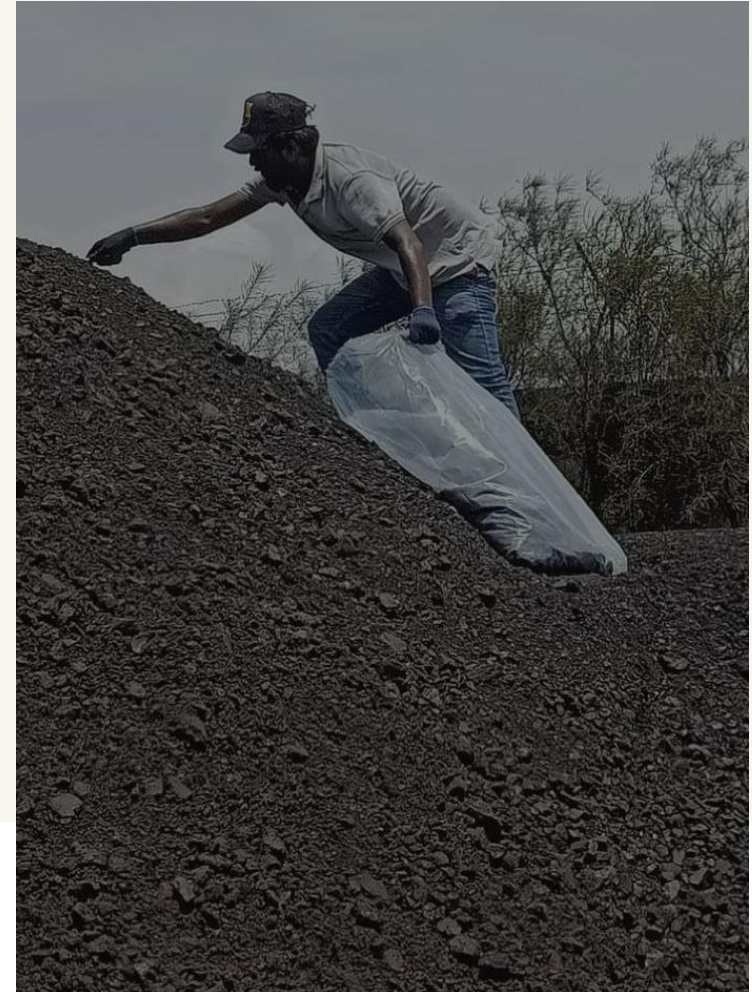

Shipment Control

Bulk Shipment

- Hold Inspection, Draft Survey, Warehouse Inspection, Tally (bag cargo), Weight, Sampling & Condition, Hold Sealing.
- DRI grade B Bulk loading superintendence complying with IMSBC code and P&I guideline.

Container Shipment

- Suitability of container to load cargo
- Stuffing / Destuffing - Tally (bag cargo), Weight, Sampling & Condition
- Container Sealing

METAL SERVICES

- ♦ **Steel Profiles**
- ♦ **Steel Coils - HRC, CRC**
- ♦ **Special Fabricated Sections**
- ♦ **Steel Pipes - Coated, Uncoated**

Pre-Shipment Inspection

- Sampling as per Standard for Physical & Chemical test parameters

Loading / Discharge Supervision

- Cargo space inspection for suitability
- Monitoring Load & Discharge
- Sampling as per Standard / Guidelines
- Tally for bagged cargo
- Hold / Container sealing

Specialized Services

- Pre-production Inspection
- Factory evaluation
- Random sampling of the raw materials, scrap & components used in production
- Inspection during production to check & confirm with TDC.

Analysis & Sampling

- Standard test for Physical & Chemical Parameters
- Specialized tests

CONSUMER PRODUCT SERVICES

& Hardline Merchandise

- ◆ Imitation Jewelry

- ◆ Crockeries, Toys

- ◆ Electronics FMCG Products

Pre-Shipment Inspection

- Sampling as per Standard

Loading / Discharge Supervision

- Cargo space inspection for suitability
- Monitoring Load, Discharge & Delivery
- Sampling as per Standard / Guidelines
- Tally for bagged cargo
- Hold / Container sealing

Specialized Services

- Components & Raw Material - Initial Production Inspection (IPI)
- Material in progress - During Production Inspection (DPI / DUPRO)
- Finished Products - Final Random Inspection (FRI)

Analysis & Sampling

- Standard test for Physical & Chemical Parameters
- Specialized tests

PETROLEUM PRODUCTS & DERIVATIVES SERVICES

- ◆ **Crude Oils, Fuel Oils & Gas Oils**
- ◆ **Kerosene & Jet Fuels**
- ◆ **Gasoline's & Naphtha**
- ◆ **Liquid Gases**
- ◆ **Lubricants / Base Oil**
- ◆ **Bitumen / Asphalt**

Shipment Inspection

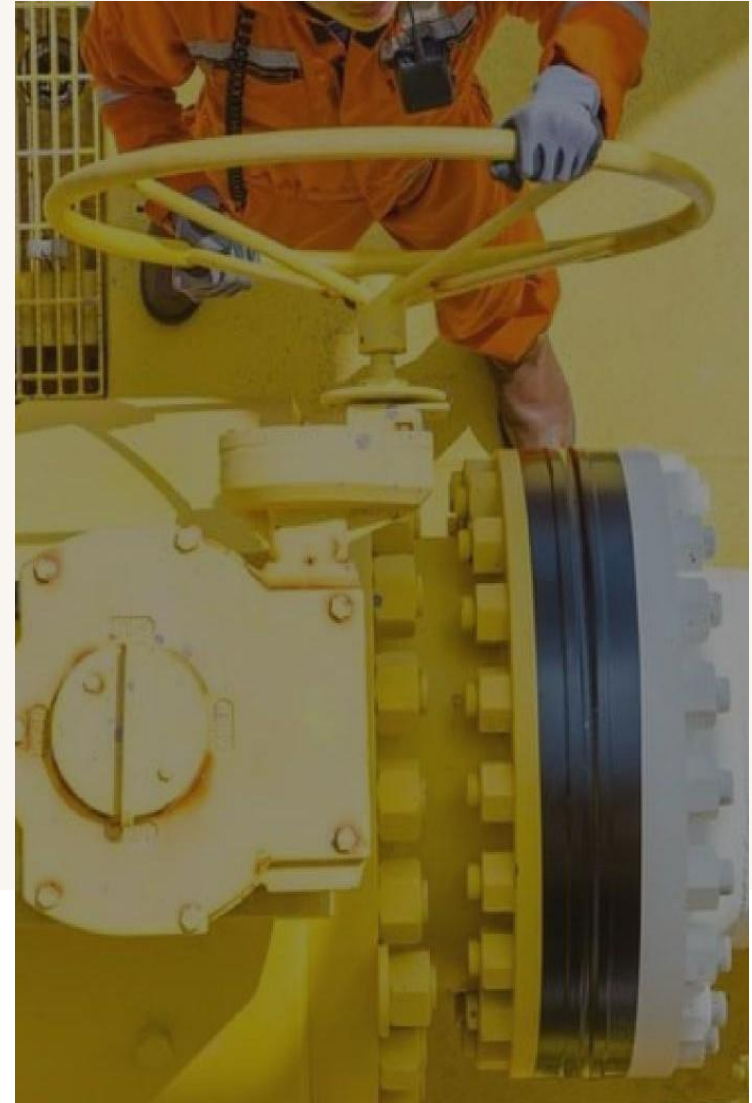

- Tank Gauging
- Product sampling as per Industry Stds.
- Tank Cleanliness Inspection
- Tank Wall Wash
- Tanker Lightering
- Auto-Sampling
- Investigation of Cargo Discrepancies
- Sampling & Sample Transport

Specialized Services

- Bulk Terminal Audits
- Blending Programme
- Blending Control
- Pipeline Transfer Control
- Loss Control Investigation

Analysis & Sampling

- Standard test for Physical & Chemical Parameters
- Specialized tests

MARINE SURVEY SERVICES

Our specialization includes but not limited to:

- Pre-risk / Condition surveys for P&I Clubs and H&M Insurers.
- Damage Survey's for Cargo, Loss Adjustment & Prevention.
- Tanker - STS, Contamination Survey.
- Charter party non-conformance dispute survey.
- Cargo holds cleanliness surveys.
- Vessel condition on hire / off hire surveys.
- Bunker surveys – ROB, During bunker operation – Supply by vessel/trucks, pipeline & On/Off hire surveys.
- Ultrasonic test for watertight compartments.
- Yacht surveys – Loading, Unloading, Stowage, Condition, Pre-risk.
- Stock verification- Open / Closed using Laser, Total Solution, Physical means.
- Valuation surveys- Cargo, vessel, Equipment, Industry.
- Marine warranty surveys.
